

## Senior Associate/Partner Commercial Real Estate

---

### Opportunity

If you thrive on solving complex legal challenges, we would love to hear from you. Our team is expanding, and we are interested in an ambitious experienced lawyer who is looking for long-term success in a strategic role. This position offers the opportunity to build the business while focusing on real estate work that you enjoy.

### What we do

HHS is a different kind of law firm. We are a modern law boutique fueled by a restless entrepreneurial spirit, focused on enabling clients to grow and to manage risk successfully. We advise mid-market business owners and companies, across a variety of industries with tailored legal solutions.

### Experience

- 7 years post call experience with a practice emphasis on commercial real estate
- In-depth experience in a variety of matters, including:
  - Assisting with corporate reorganizations
  - Assembling a portfolio of properties included in the sale of a business
  - Assisting with borrower refinancing
  - Purchase and sale of commercial/industrial properties
- Demonstrated ability to recommend business-orientated solutions
- Excellent practical business judgement
- Client Service: Champions a culture focused on successful outcomes for our clients
- Collaboration: Proven ability to lead and to work collaboratively with a team that places emphasis on engagement, innovation, and process improvement
- Business Development: You will build lasting relationships with a wide range of clients as well as continue to develop your own clients with support from the Director of Marketing and Client Development and the rest of our team.
- Leadership: You will be expected to nurture our already established team and over the longer term to recruit additional talent

If you think you would be a good fit for this position and are looking for an exceptional opportunity, let's have a conversation. Please apply in confidence to Michael Henry, Managing Partner, at [mhenry@houserhenry.com](mailto:mhenry@houserhenry.com).
